Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for Montgomery Floodplain Restoration Project in fiscal year 2024. The entity to receive funding for this project is Township of Montgomery, located at 100 Community Drive Skillman, NJ 08558. Funding would be used for helping offset the costs to remove the hazardous flood condition and return the environmentally sensitive land to a natural state to increase resiliency and overflow of the Crusier Brook during storm events. Additionally, swift demolition will remove what has become a hazard and liability for the Township. The project is an appropriate use of taxpayer funds because the project will result in the removal of hazardous condition and supports environmental restoration and flooding mitigation efforts. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bonnie Watson Coleman
Member of Congress
